

Multi-Media Services

209 South 33rd Street

SAS Computing's **Multi-Media Services (MMS)** provides the Penn community with an array of media support systems for academic and course-related purposes. Computer labs, classroom technology support, equipment loan services, special event support and a variety of production services are available through our office. Support of School of Arts and Sciences (SAS) classes is given priority and is provided free of charge. Services and equipment for student groups, workshops, campus conferences, and meetings may incur rental and staff fees and are subject to availability.

MMS is located in the basement of David Rittenhouse Labs at 209 S. 33rd st. in between Spruce St. and Walnut St. Please enter from the left most set of double doors that face 33rd st. There is a large sign above the set of doors that reads 'Multi-Media Services.' [View Penn's campus map.](#)
